Bring in Your Wife!

Any man that is fortunate enough to have a wife will do well to bring her along when ready to select his Fall and Winter Suit. We extend her a personal invitation. A woman's eyes see and appreciate the quality of fabrics, the accentuated point we call style, the excellent tailoring, the artistic touch and the care we give details and the cut. Men know whether they like the general style and feel of the fabric when they put on a Suit and, after they have worn it, the tailoring and look of the Suit. But a woman will know at a glance just what you are getting, how it becomes you and how well it is worth the price—no matter what grade of Suit you buy. Suits for \$10.00, \$12.00, \$15.00, \$18.00 to \$25.00.

We Clean, Press and Repair Clothing.
